

## Top-rated tax firm for US-based small businesses and overseas Americans

TFX is a US-based tax firm founded in 2001. Since its inception, TFX has proudly served as a long-term tax partner for over 50,000 clients, with a team of over 80 experienced CPAs, EAs, and JDs handling clients' tax compliance.

Started as a niche tax firm focused on Americans residing abroad, TFX provided an outstanding experience and peace of mind to thousands of Americans worldwide. Over the years, many clients returned to the US and wanted to continue relying on TFX for their business and personal taxes.

Today, TFX caters to anyone with a US tax filing requirement and offers high-quality tax planning, guidance, and compliance services to small businesses subject to the US tax system.

The founder and president of TFX is Ines Zemelman, an accredited enrolled agent (EA) with over 30 years of experience in US business, international, and expatriate taxation.
